

## Personal Use Education Licence

### **Petrosys Personal Use Education Licence**

Petrosys offers a Personal Use Education License (free of charge) to support students and job seekers as they build valuable workplace skills and prepare for rewarding careers in the energy industry.

This (limited duration) license includes all of the features and benefits of the commercial Petrosys PRO suite, for use in personal education, training or skills development. Licenses are limited to use on a single personal computing device and may not be utilised for commercial purposes. Before submitting this application to Petrosys, please ensure that you obtain the full approval of your institution for the terms and conditions associated with the grant.

Should Petrosys approve your application, a Petrosys representative will be in touch to discuss the optimal configuration of the Petrosys® software for your environment.

If you have any questions or concerns regarding the *Personal Use Education Licence* application, please direct your enquiries to us at [contracts@petrosys.com.au](mailto:contracts@petrosys.com.au).

Sincerely,

**Scott Tidemann**  
Chief Executive Officer
